Companion Dog Guarantee

Companion dog means this dog is being sold as a pet rather than for breeding.

Our puppies are a pure bred and registerable with the AKC.

The health of this animal is guaranteed for 4 days through examination by a vet at the expense of the buyer to ensure I am selling you a healthy dog.

If the dog is found to be in unsatisfactory health and a written documentation is presented and the AKC papers are returned, the seller will refund 100% of the purchase price. This does not include worms, fleas, mites, or any other parasites that are common in dogs.

This dog is guaranteed for 1 year through a board certified veterinarian at the expense of the buyer for any life threatening hereditary or congenital defect. Life threatening means any condition that prevents the dog from living a normal life. If the dog is tested and found to have a life threatening, hereditary condition, the seller shall replace the dog for the next similar dog. An autopsy must be performed and documented by a board certified veterinarian at the expense of the buyer. If in the unfortunate case your dog should die within 2 years from the date of birth of MVD (mitro valve disease), the seller shall replace the dog. An autopsy must be performed and documented by a board certified veterinarian at the expense of the buyer.

The buyer must agree to provide annual vet exams, including heart worm checks and preventatives and to keep the teeth clean. (infections in the mouth can lead to MVD)

Buyer agrees to feed a premium dog food and to keep the dogs weight down.

The buyer also agrees to keep all vaccinations current according to the A.M.V.A Failure to comply with and provide documentation of these requirements voids all guarantees.

The dog is sold on a spay or neuter agreement and must comply within 6 months of the date of birth or all guarantees are void.

The AKC papers will be sent to the buyer when proof of spay or neuter are sent to the seller.
